Dear Diversity Career Expo Attendee,

Welcome to the inaugural **NAAAP-Seattle Diversity Career Expo!** This year's theme is **"Exploring Opportunities"** as we encourage job-seekers, event attendees and diversity employers to explore the many opportunities available today. The Expo provides a networking environment for professionals from various industries to learn about current and potential career opportunities and job openings from several of the Pacific Northwest's leading employers.

Also be sure to take advantage of the **professional development seminars** throughout the day led by community leaders who are passionate towards diversity and leadership in the workforce. These workshops are aimed to equip professionals with tangible career skills and to help attendees to possibly get their dream job.

Finally, continue the professional networking afterwards at **O'Asian Kitchen** for the "Meet the Recruiters Mixer: Hi-Class Professional Look" where you will enjoy light hors d'oeuvres and drinks among various company recruiters and community leaders. **Opportunities** are truly created at the NAAAP-Seattle Diversity Career Expo and we encourage you to **Explore** them!

Thank you for your time and for attending this career expo. We hope that you were able to find this event useful to your professional development and future career path. Best wishes on your networking experiences today and we look forward to hearing of all the positive results.
